Narrative Description

Please limit descriptions to space provided

1) Please describe the vision and goals for your municipality related to improving bicycle **OR** pedestrian transportation. Be sure your goals are realistic and measurable. Refer to any plans adopted within the last five (5) years that support this vision (may include comprehensive plan, land use plan, transportation plan, etc). Note that the vision and goals for your community need to be focused upon transportation and not solely upon recreation.

2) Describe your municipality, including demographic information and the physical setting. Explain how the demographics and physical setting of your municipality support the need for a pedestrian or bicycle plan. Highlight any special features (e.g. resort community, college town, etc.), high-use bicycle **OR** pedestrian areas and areas with a high incidence of bicycle crashes **OR** pedestrian crashes. Identify and describe any special user populations or areas deserving special focus.

3) Provide an overview of the current bicycling **OR** pedestrian transportation system, including an assessment of strengths and weaknesses of the system. Describe facilities currently in place or planned for completion in the next two years (e.g. designated bicycle route system, miles of off-road paths, extent of sidewalk network, etc.) as well as potential barriers that inhibit developing the system. Please enclose any relevant documents or maps, or provide links to on-line materials.

4) Describe any bicycle and/or pedestrian education, enforcement or encouragement programs and initiatives underway or planned. List any key issues that have been identified, such as safety, health and well-being, connectivity, etc. Describe clearly the benefits and value that programs or initiatives of this kind would bring to your community, even if your community currently does not have any such programs or initiatives underway.

5) Provide a brief description of any municipal bicycle planning and/or pedestrian planning activities that are currently underway or have been undertaken in the past (list years). List may include bicycle, pedestrian, or greenway elements in any municipal, county or regional planning documents. Describe what value bicycle planning or pedestrian planning bring to a municipality. Please enclose any relevant documents or maps, or provide links to on-line materials. Describe the results of these planning efforts in terms of improvements in bicycle and/or pedestrian facilities, accessibility, and/or safety.

6) Describe how the development of a comprehensive bicycle transportation **OR** pedestrian transportation plan will benefit your municipality and meet the needs of diverse populations (residents and, where appropriate, students and/or visitors).

7) List the name and title/position of the municipal staff person responsible for project oversight. Please note that this person **must** be a full-time permanent employee of the municipality. Also list any others who will have involvement in plan development and their experience. Please describe any prior experience these individuals have in the preparation and/or implementation of a bicycle plan and/or a pedestrian plan or other transportation/community planning efforts and include copies or links to relevant documents. Provide resumes/qualifications for each individual listed, including the overseeing staff person.

8) Describe how your plan will be developed, specifying whether the work will be done through the services of a paid consultant (indicating whether you have decided yet to hire a private consultant or a COG), a combination of municipal staff and consultant, or through some other process. Briefly describe how duties and tasks will be divided. Indicate how MPO or RPO staff and resources may be utilized.

9) Indicate the level of support from elected officials and municipal decision-makers for bicycle and/or pedestrian programs and projects. Describe what elected officials, municipal decision-makers, representatives of other agencies, interest groups, commissions and boards, individuals and other stakeholders have done to support bicycle and/or pedestrian programs and projects in the past. Describe how they or others will be involved in development of this plan. List any existing bicycle, pedestrian, greenway, open space or other relevant committees and task forces in your area that are charged with addressing bicycle issues and/or pedestrian issues. Provide letters of support, if available. Describe what kind of citizen participation will be sought. Describe the benefits of networking with and involving stakeholders and/or appointing a steering committee. Describe the groups and interests that would be represented on the steering committee.

10) Describe how your community will implement the programs, policies, projects and initiatives identified and prioritized in the plan. Indicate what municipal, regional, state or federal resources may be sought. List any departments, agencies, organizations or other partners that may be involved. Attach letters of support, if available.

Municipality Name: _____

List activities involved in developing the plan and provide a Plan Development Schedule, beginning with NCDOT notification of grant award, scheduled for June 2012. Note whether the task will be undertaken by staff, consultant, or both. Please state when municipality anticipates executing the Municipal Reimbursement Agreement, entering a contract with a consultant, and receiving the Notice to Proceed. Note that certain items must be received from the grantee, in order that the Notice to Proceed may be issued within the 6 months of the day of the award notification. The items that must be submitted to NCDOT include: 1) Executed Municipal Reimbursement Agreement 2) Executed contract between municipality and consultant; and 3) Listing of steering committee members. List activities by quarter. The municipality will have 18 months to complete the plan, from the date that the MRA is executed. Please be sure that your schedule is a planning schedule and not a construction schedule. Describe what the plan will address. Provide a clear description of deliverables, based upon your current understanding of the planning grant initiative.
