

STATE OF NORTH CAROLINA
DEPARTMENT OF TRANSPORTATION
DIVISION OF MOTOR VEHICLES

BEVERLY EAVES PERDUE
GOVERNOR

EUGENE A. CONTI, JR.
SECRETARY

Dear North Carolina Citizens and Drivers,

It is my privilege to welcome you to the Web site of the North Carolina Division of Motor Vehicles.

I hope you will take a moment to familiarize yourself with the information here, including North Carolina's rules of the road, our requirements for licensing drivers and for registering vehicles. Information here will also assist you in keeping your vehicle inspected and in good running order, and keep you up-to-date on the latest changes in the state's motor vehicle laws.

I urge you to exercise the utmost care as you travel our streets and highways. Traffic accidents most often happen when a driver's attention is not on driving. All of us must realize that getting behind the wheel means taking on great responsibility for our own safety, the safety of our passengers, and the safety of those we pass on the road.

Thank you for visiting our Web site. If you have questions or need assistance with information not covered here, please call (919) 715-7000 or write to us at www.ncdot.gov/dmv/contact and click on Suggestions, Comments, Feedback.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael D. Robertson".

Michael D. Robertson
North Carolina Commissioner of Motor Vehicles
