TIP Project R-5000 New Connector
COMMENT SHEET

Public Information Meeting at
Southwestern Community College
April 8, 2008
5:00 - 7:00 PM

Name: _____

Business/Agency (if applicable): _____

Address: _____
(Street/Route) (City) (State) (Zipcode)

Telephone No: _____

Do you prefer:

☐ Alternative 1: **2-Lane Facility w/ Bridge**
Construct 2-lane roadway with bridge over NC 107 and access ramps for NC 107 Southbound and Northbound.

☐ Alternative 2: **2-Lane Facility**
Construct 2-lane roadway and realign Evans Road to a proposed intersection 200 feet south of current intersection. The intersection of NC 107 and Evans Road/New Connector Road would be controlled with a traffic signal.

☐ Alternative 3: **2-Lane Facility w/ Bridge**
Construct 2-lane roadway with bridge over NC 107 and two-way access ramp for NC 107 Southbound and Northbound. The intersection of Connector Road Ramp and NC 107 would be controlled with a traffic signal.
