

# CALL FOR PAPERS

## 41st SOUTHEASTERN TRANSPORTATION GEOTECHNICAL ENGINEERING CONFERENCE (STGEC)

November 2-5, 2009

Hilton Wilmington Riverside – Wilmington, North Carolina

Conference sponsored by North Carolina Department of Transportation

*Past, Present and Future of Geotechnical Engineering in the Transportation System*

We hope to have a variety of presentations that demonstrate the changes over the last 41 years, the present state of practice, and provide a look at the future with a particular emphasis on case histories and state of practice papers involving State DOTs.

### Suggested Topics:

- Major Changes in the State of the Practice in the Geotechnical Field
- Database Integration and Management in Geotechnical Engineering
- Environmental Concerns and their Impact on the Geotechnical Field
- Shallow & Deep Foundations
- Soil Exploration
- Ground Improvement
- LRFD Design Issues
- Stone Column, GeoPiers, and Controlled Modulus Columns
- Geophysical Engineering
- Instrumentations
- Geo-Environmental Engineering
- Other Issues such as Integral Abutment, Retaining Wall, Subgrade Improvement, Drilled Shaft, Non-Destructive Testing/Evaluation, ...

### Important Dates:

- Abstract Submission Due Date: September 4, 2009
- Notification of Acceptance Date: September 11, 2009
- Publish preliminary program: September 11, 2009
- Advanced Registration Date: September 4, 2009

### Important Information:

- Author's abstract and PowerPoint presentation material will be included in the conference proceedings in portable document format (pdf).
- All authors must register and pay registration fee to attend this conference.

Please send abstract/papers by email to:

Email: [STGEC@ncdot.gov](mailto:STGEC@ncdot.gov) - with a subject: STGEC Conference
