MEMORANDUM TO: **L&S Contracted Private Engineering Firms**

FROM: J. Dale Burton, PE, PLS
Assistant State Location & Surveys Engineer

SUBJECT: L&S Private Engineering Coordinator (TES II)

I am pleased to announce that Mr. J. Watson McNeill, PE, PLS has been selected to fill the position of PEF Coordinator with the Location & Surveys Unit, effective August 19, 2000. Watson will be replacing Parks Icenhour in this position. Watson has most recently served this Unit as the Property Survey Engineer at the Century Center.

Watson has nearly eleven years of experience with NCDOT. He is also a graduate of Wake Tech. and UNC and is a Professional Engineer and Land Surveyor in NC.

As the PEF Coordinator, Watson will be responsible for coordinating all L&S TIP project operations with contracted consultants. He and I both look forward to continuing the good working relationship that we have experienced in the past.

Please join me in congratulating and welcoming Watson as the L&S PEF Coordinator. I am sure he will appreciate our help and support in transitioning into his new duties and responsibilities.

If you have any questions or comments, please do not hesitate to contact us at 919-250-4112.
