

****Important Items to Note****

- Follow Cadd Procedures for Map Creation
- All Plots must contain the “Plot Cell” that identifies the color and pen tables found in the various color plot DDBs
- Multiple Plots are only done after Original Plot has been verified by your Supervisor
- Only the Final Wall Plot gets the new 32lb “Presentation Paper”
- The plotters are not “Preview Machines”
- You are not Alone, we are still here to help
- Plots have a width limit of 129 inches
