

NCDOT ROADWAY DESIGN PUBLIC HEARING MAP

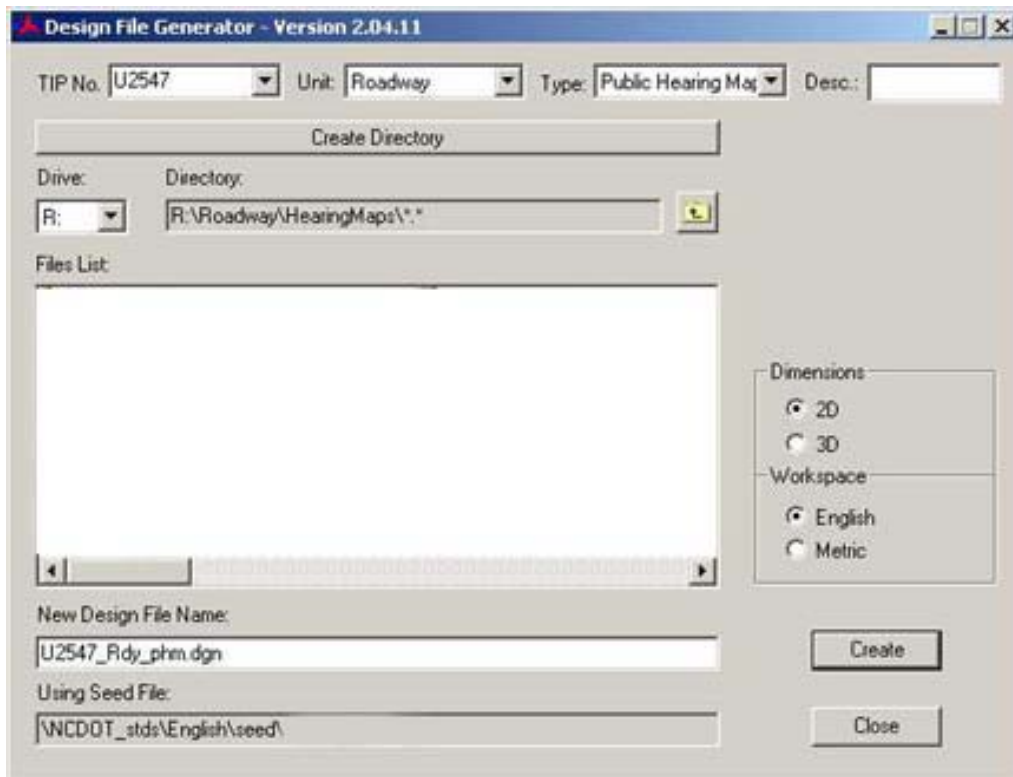

HEARING MAP PREPARATION

CHAPTER 6: CREATING PUBLIC HEARING MAP FILE

Create the hearing map file with the NCDOT Design File Generator.

Note:

At the present time a Hearing Map seed file is unable to be created using the Design File Generator ; therefore, we a placed a Public Hearing Map seed file on the Roadway Workspace. It can be found under: **C:\NCDOT_V8_WORKSPACE\ROADWAY_STDS\Standards\Seed** It is named: **tip#_rdy_phm.dgn**

1. Standard file name for hearing map is [TIP#]_RDY_PHM_[DESCRIPTION]. DGN.
2. Standard location for hearing maps is R:\Roadway\HearingMaps\
