NCDOT ROADWAY DESIGN PUBLIC HEARING MAP

REVISIONS

- 06/08/2007 – SHEETS **1-1** and **1-2** – Added the General Model Concept topic.
- 06/08/2007 – SHEET **4-1** – Added second hearing map models picture.
- 06/08/2007 – SHEET **9-3** – Recommend the usage of the Prop PHM Sheet Cut Lines level.
- 06/08/2007 – SHEET **9-4** – Deleted Step 7.
- 06/08/2007 – SHEETS **10-4** and **10-5** – Included Steps 5A and 5B and revised Step 9.
- 06/08/2007 – SHEETS **10-14** to **10-16** – Corrected the offset distance from 7.5 to 75.
- 06/08/2007 – SHEETS **14-6** and **15-4** – Moved hands on review from 15-4 to 14-6.
- 06/08/2007 – SHEETS **20-2** and **20-3** – Deleted original Step 2.
- 06/08/2007 – SHEET **21-8** – Added more FAQ.

- 06/18/2007 – SHEET **1-3** – Added explanation of the different referencing methods.

- 06/25/2007 – SHEET **3-10** – added picture in Step 5 to turn on all levels in the active model.

- 10/19/2007 – SHEET **3-12** and **3-13** – added section for accelerating productivity with models.

- 10/03/2008 – SHEET **6-1** – added note of the location of the PHM seed file on the workspace.
- 10/03/2008 – SHEETS **9-3, 9-7** – changed the Y limit (width) from 35.41” to 35.60 to adjust for the new IT02-t1100c plotter.
- 10/03/2008 – SHEETS **10-1 to 10-5** -Tweaked the procedure to adjust for the new IT02-t1100c plotter

- 02/04/2009 – SHEETS **10-19 to 10-22** –Changed the procedure to place seals it uses Paintbrush picture

- 02/09/2009 – SHEETS **9-3, 9-7** – changed the Y limit (width) from 35.60” to 35.49 to adjust for the new IT02-t1100c plotter.
- 02/11/2009 – SHEETS **10-1 to 10-3** – Tweaked the procedure to adjust for the new IT02-t1100c plotter

- 10/06/2010 – SHEETS **10-4 to 10-5** – Updated procedure to conform to V8I dialog boxes.

Table of Contents

| | |
|--|-------------|
| CHAPTER 1: OVERVIEW | 1-1 |
| GENERAL MICROSTATION FILE MODEL CONCEPT..... | 1-2 |
| REFERENCING FILE MODELS (COINCIDENT, COINCIDENT-WORLD, AND INTERACTIVE)..... | 1-3 |
| CHAPTER 2: HEARING MAP TOOLS | 2-1 |
| SUPPLEMENTAL ATTACHMENT TOOL FRAME..... | 2-1 |
| ALL REFERENCE FILE MODELS DISPLAY OFF/ON..... | 2-1 |
| SHAPE FILL DISPLAY TOGGLE..... | 2-2 |
| LINE WEIGHT DISPLAY TOGGLE..... | 2-2 |
| DP IN SAME LOCATION..... | 2-2 |
| CREATE SHAPE WITH POLYGONS..... | 2-3 |
| CREATE COMPLEX SHAPE..... | 2-4 |
| CREATE REGION..... | 2-5 |
| SELECT BY ATTRIBUTES..... | 2-6 |
| CHAPTER 3: HEARING MAP COMMON CADD PROCEDURE | 3-1 |
| NAVIGATING THROUGH FILE MODELS..... | 3-1 |
| <i>Hearing Map D&C Manager</i> | 3-1 |
| <i>Roadway Model Navigator</i> | 3-2 |
| <i>Bentley Models Dialog Box</i> | 3-3 |
| ON-THE-FLY FILTERS..... | 3-4 |
| TURNING LEVELS ON OR OFF IN NESTED REFERENCED FILE MODELS..... | 3-5 |
| TURNING OFF ALL LEVELS EXCEPT..... | 3-7 |
| COPYING INDIVIDUAL LEVEL FROM A REFERENCED FILE MODEL..... | 3-10 |
| Hands on Review..... | 3-11 |
| ACCELERATING PRODUCTIVITY WITH HEARING MAP FILE MODELS..... | 3-12 |
| CHAPTER 4: HEARING MAP FILE AND MODELS | 4-14 |
| STANDARD HEARING MAP FILE MODEL NAME - DESCRIPTION..... | 4-14 |
| PHM FILE MODEL CONTENT..... | 4-2 |
| PHM REFERENCED FILE MODELS UPDATE SEQUENCE..... | 4-3 |
| PHM FILE AND FILE MODELS GENERAL NOTES..... | 4-3 |
| CHAPTER 5: HEARING MAP DDB | 5-1 |
| ACCESSING THE HEARING MAP DDB..... | 5-1 |
| THE HEARING MAP DDB BREAKDOWN..... | 5-2 |
| CHAPTER 6: CREATING PUBLIC HEARING MAP FILE | 6-1 |
| CHAPTER 7: CREATING THE HORIZONTAL DESIGN | 7-1 |
| LAYOUT THE PROPOSED HORIZONTAL ALIGNMENT..... | 7-1 |
| CONSTRUCT THE PROPOSED EDGE OF TRAVEL WAY (EOT)..... | 7-3 |
| DRAWING SLOPE STAKE LINES WITH LIMITS OF CONSTRUCTION..... | 7-4 |
| PLACE HIGHWAY SHIELD CELLS..... | 7-5 |
| PLACE TRAFFIC SIGNAL CELLS..... | 7-7 |
| Hands on Review..... | 7-8 |
| CHAPTER 8: CREATING ONE TOPO MODEL | 8-1 |
| Hands on Review..... | 8-4 |
| CHAPTER 9: LAYOUT SHEET DIMENSION | 9-1 |

NCDOT ROADWAY DESIGN PUBLIC HEARING MAP

| | |
|---|--------------|
| DETERMINE THE LIMITS OF HEARING MAP SHEETS..... | 9-1 |
| PLACING LABELS..... | 9-4 |
| Hands on Review..... | 9-6 |
| CHAPTER 10: SHEET MODEL..... | 10-1 |
| CONSTRUCTING THE SHEET FLAPS..... | 10-1 |
| CONSTRUCTING THE HEARING MAP SHEET MODEL..... | 10-3 |
| MATCH LINE..... | 10-6 |
| <i>Creating the Sheet Match Line.....</i> | <i>10-6</i> |
| <i>Creating Sheet Match Line Text.....</i> | <i>10-8</i> |
| REFERENCE FILE MODEL CLIPPING..... | 10-10 |
| <i>Creating Sheet Clip Shape.....</i> | <i>10-10</i> |
| <i>Clipping Referenced File Models.....</i> | <i>10-11</i> |
| PLACE SHEET CUT GUIDE LINES..... | 10-13 |
| CONSTRUCTING THE SHEET BORDER LINES..... | 10-14 |
| CREATING THE SHEET FRAME SHAPE..... | 10-16 |
| SHEET COMPOSITION CELLS..... | 10-18 |
| <i>Placing the Hearing Map Legend Cell.....</i> | <i>10-18</i> |
| <i>Place the PHM Information Label Box Cell.....</i> | <i>10-18</i> |
| <i>Placing NCDOT and State Seals (JPEG).....</i> | <i>10-19</i> |
| <i>Placing North Arrow Cell.....</i> | <i>10-23</i> |
| <i>Placing Hearing Map Design Data Block.....</i> | <i>10-24</i> |
| <i>Placing Hearing Map Scale Cell.....</i> | <i>10-25</i> |
| <i>Placing System Block Cell.....</i> | <i>10-26</i> |
| Hands on Review..... | 10-27 |
| CHAPTER 11: CREATING CEMETERY SHAPE..... | 11-1 |
| CHAPTER 12: CREATING WATER SHAPE..... | 12-1 |
| CHAPTER 13: BOUNDARY..... | 13-1 |
| HISTORIC PROPERTY..... | 13-1 |
| WETLANDS AND BUFFER ZONES..... | 13-4 |
| Hands on Review..... | 13-5 |
| CHAPTER 14: EXISTING RIGHT OF WAY..... | 14-1 |
| CREATING EXISTING RIGHT OF WAY SHAPES..... | 14-1 |
| PLACING EXISTING CONTROL OF ACCESS CELL..... | 14-3 |
| CREATING EXISTING RAILROAD RIGHT OF WAY SHAPES..... | 14-4 |
| CREATING EXISTING UTILITY EASEMENT SHAPES..... | 14-5 |
| Hands on Review..... | 14-6 |
| CHAPTER 15: EXISTING ROADWAY..... | 15-1 |
| CREATING EXISTING ROADWAY SHAPES..... | 15-1 |
| HATCHING EXISTING ROADWAY TO BE REMOVED..... | 15-2 |
| CHAPTER 16: EXISTING ROADWAY TO BE RESURFACED..... | 16-1 |
| CREATING EXISTING ROADWAY TO BE RESURFACED SHAPES..... | 16-1 |
| CHAPTER 17: PROPOSED ROADWAY..... | 17-1 |
| CREATING PROPOSED ROADWAY SHAPES..... | 17-1 |
| CREATING TEMPORARY/DETOUR ROADWAY SHAPES..... | 17-2 |
| FUTURE ROADWAY..... | 17-3 |
| <i>Creating Future Roadway Shapes.....</i> | <i>17-3</i> |
| <i>Hatching Future Roadway Shapes.....</i> | <i>17-4</i> |
